Dear Officer:

The applicant for the above Utility Patent application recently received the Notice of Abandonment mailed on June 14, 2005. In response to this, I hereby petition to withdraw holding of abandonment based on failure to receive office letter mailed on December 3, 2004 and attest the fact that a search of the file jacket and docket records indicates that the office action was indeed never received as the enclosed evidences shows. A petition to withdraw holding of abandonment based on failure to receive office action is respectfully requested by submitting the records of receipt and docket records where the non-received office action would have been entered had it been received and docketed. Should there be any questions with respect to this statement and evidence, please contact me by fax at 886-2-87681797.

Respectfully submitted,
